

# World's First Portable Waterfall/Bar & Signage Device

## Dura Tran Panel

Custom backlit photography makes the AquaBar uniquely yours. Add our custom aluminum stand and make your display nearly 9 feet tall.

## Etched Logo Panel

Reverse-etch your logo or trademark to create a 'sparkling' personal identity.

## Merchandize!

Create beautiful, glowing product displays...

## Accessorize!

Decorate with unique, fun floating objects...

## Be Creative!

(Fish not included)

# AQUA BAR

5 or 3 Feet Tall • Interchangeable Static-cling Backgrounds • Color-blending LEDs • Color Fogger-Misters

Patent Pending by Attorney/Inventor Patrick Freeman
